

## **MEMORANDUM OF UNDERSTANDING ON CO-OPERATION**

### **BETWEEN**

***The Institut National de Recherche sur les transports et leur sécurité-  
INRETS (Arcueil, France)***

*2 avenue du Gal Malleret Joinville, 94114 Arcueil Cedex*

*Represented by its Managing Director, Mr Guy Bourgeois*

### **AND**

***The Indian Institute of Technology Delhi (IITD), Hauz Khas, New Delhi***

*Represented by its Director*

### **Purpose**

The purpose of this agreement is to facilitate the exchange of students, researchers and research resources between the two organizations in order to promote academic, scientific and technical cooperation and common research projects in the following fields:

- Transport safety
- Transport planning
- Transport sustainability
- Biomechanics and crash worthiness

The above list can be extended if so mutually agreed by both institutes.

### **Modes of cooperation**

- 2.1: Both organizations will make efforts to encourage collaborative efforts among organization members. Each organization will offer office space and the use of facilities that are also available to the faculty, researchers and students at the host organization.
- 2.2: Student Exchange will be encouraged within the frame of this agreement and efforts will be made by the host institution to facilitate these exchanges. These exchanges will be governed by the financial and administrative rules applicable in the host institution.
- 2.3: Each cooperation programme will be the subject to a specific project framework.
- 2.4: Any specific project framework will give a report on the contributions from the two parts, on the financial aspects, the precise range of the programme, the results copyrights, its duration and its mode of amendment.
- 2.5: Each establishment will designate a person in charge for the programmes developed within each specific project framework.
- 2.6: Each specific covenant will have to be approved by the two authorities.
